

**Updated April 7, 2014!!**

These are 'orphaned' Friday and Saturday one night stay opportunities to consider!

During the months of April - December we have a two night minimum for a Friday or Saturday night stay. Sometimes a guest books a Thursday/Friday or a Saturday/Sunday night stay. This means that from time to time we have a Friday or Saturday night available without the two night minimum. These dates, and the name of the open casita, are listed below:

- Friday, May 23 is available, all rooms, no two night requirement!

The on-line booking engine has been modified to accept a one night reservation for the date(s) shown above or you can call Tony @ 805.473.1123. New dates will be added as they become available. Subject to availability, no rain checks.

Hurry, availability is truly limited! [www.casitasag.com/reservations](http://www.casitasag.com/reservations)
